4. To consider appeals and planning applications detailed below:

APPEALS:

None

APPLICATIONS:

Application: **2025/1391**
Proposal: Demolition of existing buildings. Erection of two detached dwellings (Self Build) with associated access and landscaping.
Location: Development Site North of Starline Farm, Starborough Road, Marsh Green, Edenbridge, Surrey, TN8 5RB
Comment: Dormansland Parish Council strongly object to this application. This proposal is inappropriate development in the Green Belt. The site is not Grey Belt as it contributes to the openness of the Green Belt at this location. The site is an unsustainable location with no reasonable access to public transport or local shops and services. The area is regularly affected by surface water flooding. It is noted that there is an objection from SCC Flood Team and that Land Drainage Consent is required from the Upper Medway Internal Drainage Board.

Application: **2026/47**
Proposal: Demolition of existing conservatory. Erection of two storey rear and single storey side extension.
Location: 55 New Farthingdale, Dormansland, Lingfield, Surrey, RH7 6RF
Comment: Dormansland Parish Council object to this application. The proposal results in a disproportionate increase in size over the original building of over 56% contrary to Policy DP13. The proposed development would also cause significant harm to the amenity of the neighbouring property due to over development contrary to DP7.

Application: **2025/1268/NMA1**
Proposal: Non-Material Amendment to application no. 2025/1268 Variation of Condition 8 (EV charging) of planning permission ref: 2022/1638 (Demolition of existing garages and construction of one bungalow and one building containing four apartments and New parking court at New Farthingdale.) to allow for amendments to the wording of condition 8). Amendment in the solar PV panel layouts to the East / West Elevations
Location: Hollow Lane Garages, Hollow Lane, Dormansland, Surrey, RH7 6NT
Comment: Dormansland Parish Council make no comment.

Application: **2026/207/TPO**
Proposal: T1) – Eucalyptus – Reduce the height by approx. 2-2.5M leaving height of approx. 9M.
T2) - Laurel - Reduce the height by approx. 1.5M and sides, leaving height of approx. 4M.
T3) - Elderberry - Reduce the height by approx.2M, leaving height of approx. 8M.
T4) - Sycamore - Reduce the height by approx.2-2.5M, leaving height of approx. 9M.
Location: Andaman House, West Hill, Dormans Park, East Grinstead, Surrey, RH19 2ND
Comment: Dormansland Parish Council has no objections to this application subject to the approval of the Tree Officer. The Council is in principle opposed to pruning or trimming that is to the detriment of the health or appearance of any tree.
